

M.Tech. Petroleum Engineering

Bridge Course - (Prerequisite)

2 Year M. Tech (Petroleum Engineering) program

Legend

- NMCP= Numerical method and computer programing
- ARE= Advanced Reservoir Engineering
- ADE= Advanced Drilling Engineering
- PFE= Petroleum Formation Evaluation
- APE= Advanced Production Engineering
- HET- Hydrocarbon Exploration Technique
- ADE-P= Drilling Engineering Lab
- RMS= Reservoir Modelling and Simulation
- IRM= Integrated Reservoir Management
- PEO= Production Enhancement & optimization
- AEOR= Advanced Enhanced Oil Recovery
- APDC= Advanced Process Dynamics and Control
- PE-P =Petroleum Engineering Lab
